## BOARD OF REVIEW

The Board of Review is composed of five members appointed by City Council. Four members are qualified electors of the city, one from each of its four wards who do not otherwise hold an elected or appointed position or is employed by the city, county or school. City Council appoints one council member to the board in January of each year. City Council is also authorized to appoint alternates for the council and non-council positions. The City Assessor serves as the clerk of the board and is entitled to be heard at its sessions but has no vote on any proposition or question.

The Board of Review meets on the time and dates as required of township Boards of Review by the general property tax laws at such places as designated by the council. The board examines and reviews the assessment roll for the current year as prepared by the assessor, adds property omitted from the assessment roll, and corrects errors in names, descriptions of property, and the assessment and valuation of property. The board also hears taxpayer appeals and endorses the completed assessment roll.
