Holiday Schedule

New Year's Day	Labor Day
Memorial Day	Thanksgiving Day
4th of July	Christmas Day

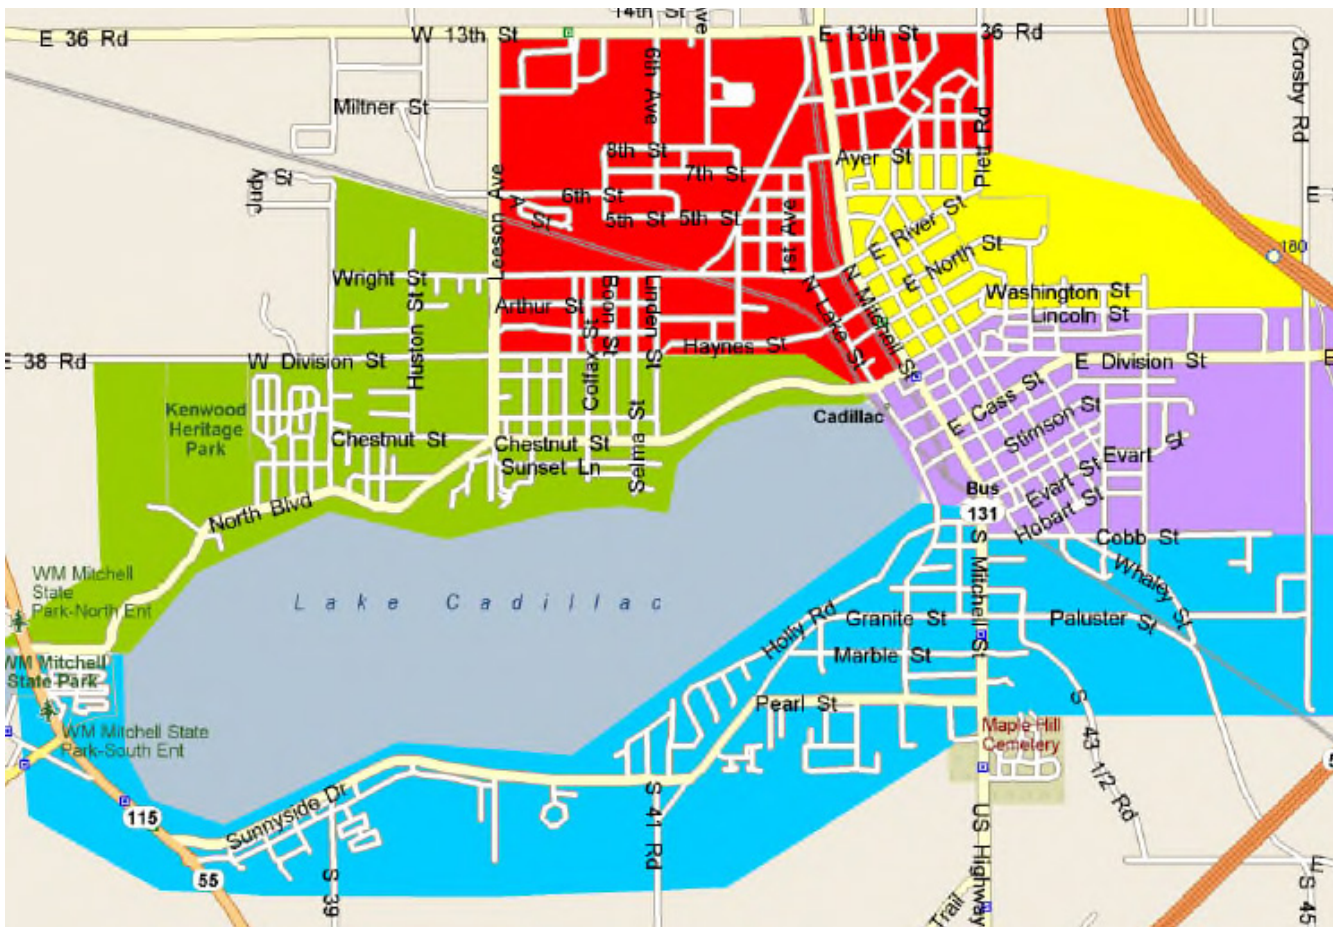

When the holiday occurs on a weekday, each day after the holiday will be delayed to the following day (example: the Friday route will be collected on Saturday).

Beginning August 6, 2018, both the recycling and waste collection will occur on a new 5-day schedule and will now be collected Monday through Friday!

This re-districting of the City will require you to look closely at the map (to the left) and determine if your home will be affected by this change.

The recycling service will remain as a bi-weekly collection. More information can be found online at www.cadillac-mi.net/recycle.
